All good things must come to an end
If I could only be there again, oh yeah, oh yeah
For just a little while

I hear voices in the air
I wish that I could be there
Maybe someday, I don't know

Maybe someday, maybe someday
I don't know

Wait just long enough
See what tomorrow brings
Wait just long enough
See what tomorrow brings

There's so many things I could've said
I hope someday I could be led
Led by your hand to wherever we go

I can't bear the thought of that day
I wish that it could be wiped away
Oh yeah, wiped away

Maybe someday, maybe someday
I don't know

Wait just long enough
See what tomorrow brings
Wait just long enough
See what tomorrow brings

Why do things have to happen this way?
I felt so much anger
When they put away Stevie Ray

Livin' life is so hard to do
When all my time is spent missin' you
Tryin' to get by, oh get by, without your love

I have so many feelings to share
But I look up and you're not there

All I have is memories
All I have, all I have is memories, yeah

Wait just long enough
See what tomorrow brings
Wait just long enough
See what tomorrow brings, yeah

Wait just long enough
See what tomorrow brings
Wait just long enough
See what tomorrow brings, wait
