I could kick myself
it's dangerous living this way
Last place i wanna turn
last thing i wanna learn
is from the pain of these days
the book is hard to read
when i play the lead
oh I'd rather look away

Cause honestly
when it comes to me
the truth is hard to shake
i believe is see
it's the only road to take

getting nowhere fast
mired in the past
it's time to move, get moving on
but there's no place to go
if I'm afraid tot show
the truth of where I've been

honestly
when it comes to me
the truth is hard to shake
i believe is see
it's the only road to take
tenderly
lord speak to me
it seems so hard to hear
honestly
oh i think i see
it is really me i fear
honestly...
