Who are you
Can you tell me where you're coming from
Why is it
You hide your heart from everyone
You say you'd rather be left alone
You can make it on your own
All on your own

I'm feeling
The need to say I've been there too
You like the feelin'
That everything is up to you
With no one to depend upon
You can hide what's going on

Lone Ranger
No one knows just who you are

Lone Ranger
Never showing who you are
As a stranger
You will only go so far
Lone Ranger
You're headed for danger
You can't go your own way — Lone Ranger

Lone Ranger
You don't have to hide your heart

As a stranger
You will only go so far
Lone Ranger
You're headed for danger
Don't go your own way — Lone Ranger
