[My eyes have seen] (2X)

My eyes have seen the glory
My eyes have seen the Truth
The bright salvation story
God of Israel, I have seen You

I stood on a mountaintop
With the heavens all around me
And I've stood on the ocean shore
Felt the power of the thundering sea

But I've seen no greater sight
Than the beauty and the Light
The power and the might of You

My eyes have seen the glory
My eyes have seen the Truth
The bright salvation story
God of Israel, I have seen You

I'm still moved by the power and might
The wonder of this world around me
But nothing can touch my heart
Like love in all its majesty

And I've called upon that power
You were there in my needy hour
I've felt the mercy shower of You

My eyes have seen the glory
My eyes have seen the Truth
The bright salvation story
God of Israel,
The chosen One
I have seen You

Through the window of my eyes
I have seen You
Unveiled, undisguised
I have seen You
Now I'm pushing for the prize

My eyes have seen
Open my eyes

ooo, I've seen yeah

Jesus the Light of Glory
Jesus the Star of Truth
The bright salvation story
God of Israel

I have seen
The glory
Jesus the Star of Truth
The bright salvation story
God of Israel

Shine the Light
Shine the Light of Glory
Shine the Light, oh shine it!
