There was something missing
In my life in my soul
Then You came like a falling
Rain
And filled this heart of mine
Now I can feel it start to
Overflow
It's overflowing now

Cause You gave all you had for
Me
You gave all you had for me
You gave all you had for me
Nothing can take this love
Nothing can take this love
From me
Nothing can take this love

Only You could have changed
Me
Sent the clouds from my eyes
Now I see things in a different
Way
Since I gave my life to You
Now I know the love I'll never
Lose
Never lose

Cause You gave all you had for
Me
You gave all you had for me
You gave all you had for me
Nothing can take this love
Nothing can take this love
From me
Nothing can take this love
