Television subdivision
He sees it on his advert screen
The cable's on, the tape is running
So he won't miss a thing
I asked him if he knew JESUS
He said "what channel is he on?"

While he sees the latest features
A Bible sits collecting dust
TV Guide and program listings
The only place he puts his trust
Who says a wealth of information
Has to be fimed on location

Don't wait for the movie
Read the book
Don't wait for the movie

All the lines keep getting longer
To se the latest horror show
Degeneration of a generation
Tell me where'd the Bible go

I asked them if they knew JESUS
Is HE in a theater near you?
I said " No, HE's the MESSIAH"
"Do you think HE'll get good reviews?"
