Gimme Head baby  
Gimme head like you did just last night,  
ah ah ah

You got me steamin at a hundred degrees  
Each time I see you i go weak at the knees  
You bring me undone bring me undone  
With words you said, words you said  
but best of all, all those you gimme head  
You gimme head  
You gimme head  
You gimme head

You gimme scratch marks down the length of my back  
You gimme teeth marks in the side my neck  
You whisper sweet things, gimme beatings  
You wreck my bed (wreck my bed)  
but best of all, all those you gimme head  
You gimme head  
You gimme head  
You gimme head

So  
Ah say you'll never leave me  
And promise me you'll stay  
'Cos now that I'm in heaven don't slip away ow !

I like it
