[Verse 1:]

The voice of God, Almighty Warrior, declaring war.
Hear His command, you are a chosen generation,
a mighty force in the land.

[Verse 2:]

All of creation now is waiting
to see the righteous take their stand;
moving out in His anointing,
fulfilling God's eternal plan.

[Chorus:]

Arise, this is the final hour.
Arise, you soldiers of the King.
Arise, put on your holy armor.
No, the gates of hell will not prevail;
so arise, the spirit says arise.

[Verse 3:]

The army of God is now assembled,
a people filled with power and might.
The time is now no hesitation,
take up your swords, stand up and fight.

[Verse 2]

[Chorus]
