[Verse:]

Salvation and glory belong to our God
and unto the Lamb on the throne.
Blessing and honor, wisdom and power,
be unto God alone

[Bridge:]

Hallelujah, glory to the Lamb.
Hallelujah, to the Great I Am.

[Chorus:]

We lift up Your name O Lord,
worthy the Lamb who was slain, taking all our pain
We lift up Your name O Lord,
giving You honor and praise,
with our hands upraised to You Lord.

[Vamp:]

Help me lift Jesus higher.
Help me lift Jesus higher and higher.
