I can't relate
to the level of faith
In your self,
its hard to come by but

I've tried to create
some kind of place
To pull me out
to get some space

Can we be in
My hide away
Will we be in
Somewhere some stay
And waist of horses
He don't stay
It makes me fade
into the grave

I can't depict
'Cos I can't reclaim
I warned them
Where to unpacking
In my life I've tried
To fail with pride
Tried again
never ever again

Can we be in
My hide away
Will we be in
Somewhere some stay
The waist of horses
He don't stay
It makes me fade
into the grave

When all this nonsense
turns nothing calm
My feet are safely
on the ground

The sound of planes
they make me high
Please add some colour
to my sky
