Comin' Home" - Lynryd Skynryd Band

It's been so long since I've been gone

another day might be too long for me

Travelin' round I've had my fill

of broken dreams and dirty tears

A concrete jungle surrounded me

many nights I've slept out in the streets

I've paid my dues and I've changed my style

seems hard times are over, now...

I wanna come home,

it's been so long since I've been away

and please, don't blame me cause' I tried

I'll be coming home to your love

to stay

I miss old friends that I once had

times have changed and I'll be glad

when I...

...go home

I don't know why the thought came to me

why I'm here I really can't see

and now...

I wanna come home
it's been so long since I've been away
and please, don't blame me cause' I've tried
I'll be coming home soon to your love
to stay
I miss old friends that I once had
but times have changed and I'll be glad
when I...
...go home
I don't know why the thought came to me
why I'm here I really can't see
and now...
I wanna come home
it's been so long since I've been away
and please, don't blame me cause' I tried
I'll be coming home soon to your love
to stay..
I'll be coming home to your love
I've seen better days
