I NEED YOU

Ain't no need to worry, there ain't no use to cry

'cause I'll be comin' home soon to keep you satisfied.

You know I get so lonely that I feel I can't go on

but it feels so good inside, babe, just to call you on the telephone.

Oo baby, I love you, what more can I say.

Oo baby, I need you, I miss you more every day.

I woke up early this mornin' and the sun came shining down

and it found me wishin' and hopin' mama, you could be around.

For you know I need you more than the air I breathe

and I guess I'm tryin' to tell you, woman, oh what you mean to me.

Oo baby, I love you, what more can I say.

Oo baby, I need you, I miss you more every day.

I'm tryin' to tell you I love you in each and every way,

I'm tryin' to tell you I need you much more than a piece of lay.

Oo baby, I love you, what more can I say.

Oo baby, I need you, I miss you more every day.

- Edward King, Gary Rossington & Ronnie Van Zant
