I'm headed down a highway got a suitcase by my side

Blue skies hangin' over my head I got 500 miles to ride

I'm goin' down to Memphis town to play a latenight  
show

I hope the people are ready there 'cause the boys are  
all ready to go

(Chorus)

Well, I'm a whiskey rock-a-roller

That's what I am

Women, whiskey and miles of travellin'

Is all I understand

I was born a travellin' man and my feets do burn the  
ground

I don't care for fancy music if your shoes can't shuffle  
around

I got a 100 women or more and there's no place I call  
home

The only time I'm satisfied is when I'm on the road

(Chorus)

Sometimes I wonder where will we go

Lord don't take my whiskey, rock and roll

Take me down to Memphis town, busdriver get me  
there

I got me a queenie she got longbrown curly hair

She likes to drink Old Grandad and her shoes do  
shuffle around

And everytime I see that gal

Lord she wants to take me down

(Chorus)

Sometimes I wonder where will we go

Lord don't take my whiskey, rock and roll
