Seven years of hardluck are comin down on me

From the Florida border yeah up to Nashville
Tennessee

I worked in every joint you could name mister every
honkytonk

And down come mister yankee slicker and said "maybe
you what i want

be sure to sign your contract

be sure to sign today

Gonna give you lots of money workin for MCA

9000 dollars was all we could win

Still we smiled at the yankee slicker with our big ole
southern grins

They gonna take me out to california gonna make me a
superstar

Just pay me all my money and maybe you won't get
scared

be sure to sign your contract

be sure to sign today

Gonna give you lots of money

Workin for MCA

Suckers steal my money since i was seventeen

If it aint no pencil pusher than it's got to be a honkytonk
queen

Yeah

I'll sign my contract baybe but i want you people know

Every penny that i make I wanna see where my money
goes

be sure to sign your contract

be sure to sign today

Gonna give you lots of money

Workin for MCA
