I know that you have
more than enough reasons
Your disappointment
is well justified
But well you know that
love too has it's seasons
Sometimes rain, sometimes so fine.

It's true that I've been
blinded by another,
I've been letting loose
behind your back,
forgot all that we'd
promised each other,
But now I know I'm
back on the right track.

And from now on
you'll never need to doubt,
Cause I will tell you,
show you what it's all about.

I'm gonna make it up to you,
I swear this time is true,
I wanna make it up to you,
Let me make it up to you,
Say that we will start anew,
And I will make it up to you.

I admit I've
taken you for granted,
And everything is
as bad as it sounds
I cannot believe
the mess I've landed,
and I confess,
I'm guilty on all counts.

But from now on
you'll never need to doubt,
Cause I will tell you,
show you what it's all about.

IãfÂ,Ã,Â´m goona make it up to you,
I swear this time is true,
I wanna make it up to you,
Let me make it up to you,
Say that we will start anew,
And I will make it up to you.
