Can you see?
Can you see this?
Burn that halogen
Hot halogen
Burn, sister
Show me that burn
Stand in front of that hot halogen
I hope this hurts you
I wanna hurt you
I want you to cry a lot louder
I don't care
I don't care whether you've led a decent life or not
No-one cares
Your tongue is irritating me
So much
Beg me to stop
I want you to cry a lot louder
Beg me to stop it
Beg me
Show me, sister
Show me how much you want it
And what do you know about convenience?
And compromise?
And humiliation?
Can you see?
Can you see this?
Are you watching?
Burn that halogen
Hot halogen
Show me that burn
Burn, sister
Stand in front of that hot halogen
Burn
Are you watching?
Burn, sister
Burn
