MAL de AMORES

They never told me and I never asked
Fell in the deep end, she was a must

Corazon loco, busca el ayer
Y se que tampoco maÃ±ana allanÃ¡

Mal de amores " so strong
How could the way to heaven be wrong
Mal de amores " for so long
Nothing but heartache baby, now you're gone

Escucha el grito que sale de mi
Todo se apaga si no estÃ¡s aqui

Lost in her kisses, drowned in her eyes
She fulfilled my wishes with paradise
Mal de amores " so strong
How could the way to heaven be wrong
Mal de amores " for so long
Nothing but heartache baby, now you're gone

Marcha atras, no te vayas vuelve ya
Let me be there where you are

Mal de amores " so strong
How could the way to heaven be wrong
Mal de amores " for so long
Nothing but heartache baby, now you're gone
