I love the feeling when we lift off
Watching the world so small below
I love the dreaming when I think of
The safety in the clouds out my window

I wonder what keeps us so high up
Could there be a love beneath these wings?
If we suddenly fall should I scream out
Or keep very quite and cling to my mouth?

As I'm crying, so frightened of dying
Relax, yes, I'm trying
This fear's got a hold on me
Yes, this fear's got a hold on me
Yes, this fear's got a hold on me

I love the quite of the night time
When the sun is drowning in the deathly sea
I can feel my heart beating as I speed from
Then sense of time catching up with me

The sky set out like a pathway
But who decides which route we take
As people drift into a dream world
I close my eyes as my hands shake

And when I see a new day
Who's driving this anyway
I picture my own grave 'cause fear's got a hold on me
Yes, this fear's got a hold on me
Yes, this fear's got a hold on me
Yes, this fear's got a hold on me
Yes, this fear's got a hold on me

Floating neither up or down
I wonder when I'll hit the ground
Well, the earth beneath my body shake
And cast your sleeping hearts awake

Could it tremble stars from moon light skies?
Could it drag a tear from your cold eyes?
I live on the right side, I sleep in the left

That's why everything's gotta be love or death

Yes, this fear's got a hold on me
Yes, this fear's got a hold on me
Yes, this fear's got a hold on me
Yes, this fear's got a hold on me

Yes, this fear's got a hold on me
Yes, this fear's got a hold on me
Yes, this fear's got a hold on me
Yes, this fear's got a hold on me
