I want to be alone just wanna be like
The hermit of the mountain seeing my beard grows up
Cause grumpy old man is my middle name
And I never gonna change, that's the way I am
That's the way I am
What can I do?
Have you ever looked around and couldn't see the
truth
It doesn't make sense when you just don't care (In
fact!)
It looks like bullshit scattering the air
My life is very boring because I don't know
What to do, what I want and where to go
Now all that I can do is just get a gun
And shooting all the people I may have some fun

Madefoquer Beibe

I told what I want, now I show you how I do
Gonna make, gonna start smashing people like you
Tell me, sweet honey, who is laughing now?
If you don't like the rules, I make my law
Anyway you can say that you disagree with me
Nevermind you can talk while still can brief
Say a pray if you want or start to cry
And tomorrow you can tell me all or will know my other
side

Motherfucker Baby

ChÃ', chuÃi, cada macaco lÃi

I told what I want, now I show you how I do
Gonna make, gonna start smashing people like you
Tell me, sweet honey, who is laughing now?
If you don't like the rules, I make my law
Anyway you can say that you disagree with me
Nevermind you can talk while still can brief
Say a pray if you want or start to cry
And tomorrow you can tell me all or will know my other
side

Ã", rapÃi!
