Hi guys, it's me again  
I've been away so long  
I had too much troubles with drugs and sex  
Now I dropped all that shit  
And I'm back with full memory  
At least of you not left  
I'm gonna try to make a little song for you  
So please, don't be too hard  
I know you all wanna piss on me

You wanna piss on me

Piss on me, piss on me

You wanna piss on me  
Do you wanna piss on me?  
You wanna piss on me  
Are you sure you wanna piss on me?

Do you wanna piss on me?  
Piss on me, piss on me  
I'm gonna piss on you!

Do you wanna piss on me?  
Piss on me, piss on me  
Are you sure you wanna piss on me?

You wanna piss on me  
Piss on me, piss on me  
Do you wanna piss on me?  
Are you sure you wanna piss on me?  
(2X)  
Piss on me, piss on me... (?X)

You wanna piss on me (8X)  
Piss on me, piss on me... (?X)

Do you wanna piss on me?  
Piss on me, piss on me  
Are you sure you wanna piss on me?

You wanna piss on me  
Piss on me, piss on me  
Do you wanna piss on me?  
Are you sure you wanna piss on me?  
You wanna piss on me  
Piss on me, piss on me  
Do you wanna piss on me?  
Are you gonna piss on you?!

You wanna piss on me  
Do you wanna piss on me?  
You wanna piss on me  
Are you sure you wanna piss on me?  
(4X)  
Piss on me, piss on me... (?X)
