I hear them coming
the blue parade
they're throwing snowflakes
and singing my name
in deep blue voices
I hear them say
There's good love out there
just you wait
you wait oh hold on I'm coming
don't let anybody in
he don't read starts now 'cause he's
getting old
so busy neutralizing
so much it leaves me cold
and how could you lie
how could you leave
and take of my body
my hands
my deep blue dream
oh hold on I'm coming
don't let anybody in

oh hold on I'm ready
lock your doors and wait for me
now leaves are falling
from the mercy tree
the blue surrounds me
so I can get some sleep and
Katie calls then she'll say
there's good love out there just you wait you wait
oh hold on I'm coming
don't let anybody in
oh hold on I'm ready
lock your doors and wait for me
