Ocean Blue. I don't usually swim,
But I followed you in boy. I followed you in.
Ocean Blue. I don't usually swim,
But I followed you in boy. I followed you in.

It's starts a feeling and ends up a story,
Strange to each other and lost in a country.
Lost in our bodies with nothing to hold us
We drifted together out past the breakers.

Ocean Blue. I don't usually swim,
But I followed you in boy. I followed you in.

I wish I didn't have to hold all our secrets
I feel like I'm being pulled down in them.
When I look to the memories I get tangled on them.
When I hold onto you then I start sinking.

I'm at the bottom if you want to find me.
I'm at the bottom alone in a memory.

Ocean Blue. I don't usually swim,
But I followed you in boy. I followed you in.
Ocean Blue. I don't usually swim,
But I followed you in boy. I followed you in.

I'm at the bottom if you want to find me.
I'm at the bottom alone in a memory.
I'm at the bottom if you want to find me.
I'm at the bottom alone in a memory.
