They bind us and cut off the supply.  
They hold us hostage in our minds.  
They're the perfect place that we built  
Will we found out this would never fly.

I know I shouldn't make.  
I know I shouldn't make.  
Promises. Promises.  
Promises. Promises.

I know you shouldn't make.  
I know you shouldn't make.  
Promises. Promises.  
Promises. Promises.

The last thing we said before it died  
Was I'll see you on the other side.  
We're naked without the shield of lies.  
But there's nothing left to do, but try.

I know I shouldn't make.  
I know I shouldn't make.  
Promises. Promises.  
Promises. Promises.

I know you shouldn't make.  
I know you shouldn't make.  
Promises. Promises.  
Promises. Promises.

I know I shouldn't make.  
I know I shouldn't make.  
Promises. Promises.  
Promises. Promises.

I know you shouldn't make.  
I know you shouldn't make.  
Promises. Promises.  
Promises. Promises.
