Hey, bet you can't, bet you can't do it like this
bet you can't, bet you can't do it like this
Bet you can't rock it like this
Bet you can't rock it like this

1, 2, 3, to the 4
Comin to your hood like a scum is so
Fergie rock the beat down to the gresso
I spit it clean just like listo ring

I'm so official, that's why I'm rockin this rockin this
whistle
I maybe disco, parkin lady nipples
when I dj I turn the bass up to chicko

The girls with the big, big booties
I'm straight chillin, coolin out with cuties
21 and over ain't messin with juvies
Girls always talkin bout, "I ain't no groupie"

I ain't stupie, I know what the truth be
You was up chillin with Yeezy last week
You nasty a minute you nasty
Tryin to act classy, ask him for a glass please

Grab a glass and get wet
ask him for some bubbles so we I gave em away
I said I don't want trouble but she said she won't get
busy cause she busy so we sell this jet

We did and we did it and we did it like this
Did it and we did it and we did it like this
(repeat 2 more times)

I said I bet you can't bet you can't rock it like that
bet you can't bet you can't rock it like that
(repeat 1 more time)
bet you can't bet you can't do-do-do-do-do-do-do

Do it like me so fresh so clean
this beats crazy this beast I've seen

this s****'s nice this s****'s so mean
mean mean, your not mean?

this beats crack that mean ya'll feans
this s****'s hot, n**** lettin off steam
this is like a movie action scene
ring ring ring like a machine

this s****'s money n**** this s****'s green
this s*** is terrifyin, halloween
this s*** is gimme your q-q-queen
and that means I'm the wha-wha-- king

bet you can't bet you can't rock it like this
(repeat 2 more times)
bet you can't bet you can't ya-ya ya ya

rock the casper, rock the dancer
I want pu-nannies someone give me belly dancer
who got the answer? for the dancer?
nobody know but I got music to announce ya

block blocka mommy call me papa
I stay on top of great chicks like shocka
zunu, I'm the s*** you the c****a
who are you? I'm the future hip-hoppa

mega n****, this n**** bigger
why hold the gun if you can't pull the trigger?

why you stay you do it when you know you can't
deliver?
why your dreams locked up if you got a weak liver?
ha ha ha ha

Imma love her not to fighter
love dunna like turn into a d*** liker
ha ha ha ha

I'm the big chief rocka
shootin up your block like blocka-blocka

bet you can't bet you can't rock it like this
(repeat 2 more times)
bet you can't bet you can't do it like that

yo, try it, tr-tr-try it

can't rock it like this

I'm the new nick matic

black acrobatic
alien 'bout to invade, galactic
ladies climb maxin
off of my axin
philipino comin to the US mashin

lazer flashin big ghetto blastin
vodka, water, down for some action
check it out now, the funk so brother
and right about now, you know i'm on the other
s***

but you can't rock it like me though
n**** say I'm dute white
girls say I'm neeto

I rock wave forms a f***** with no neeto
music revolution like underground beetles
yeaaa, you can't rock it like us
b**** you need to shut the f*** up

I'm on a mission
I'm on a mission
start the ignition
let's blow it up like nitro glistron

it's the new definition
of part demolition
shut the new composition
let's shoot em down with the killer ammunition

I got a proposition
stop, listen
cause this beat bangs, a banger
knock em out to submission

I got an intuition
tonights gonna be a good good exhibition
hope you don't have no heart condition
think you can rock it like this, you're wishin

you can't rock it like this
(repeat 7 more times)

you can't rock it like this
