Your beauty is like  
A shining star light  
You make my heart skip  
You are my highlight  
You got that aura  
It's so angelic  
You take me over  
You're so electric  
Your smile is sunshine  
You give me sunlight  
You're what I'm missing  
A part of my life  
Compared to no one  
One in a million  
You got me going  
You're my ignition

[Chorus:]

Can't nobody love me like the way you do  
It's a phenomenon  
It's a phenomenon  
Can't nobody love me like the way you do  
It's a phenomenon  
It's a phenomenon  
You take me to higher grounds  
Na na na na na na na na na na  
You take me to higher grounds  
Na na na na na na na na na na

What you say is overrated  
Cuz you made it up  
You think that I am slow  
You didn't know  
Oh what you say to me  
Is the bait into the same shitt  
That you say all them o-o-oh's  
Them other o-o-oh's  
You used to be the kind of the man  
That would take me as I am  
Now you go-oh  
Mr. go-oh

No need to stay another day  
So I'll be on my way  
I'm out the door  
Out the door  
Oh-oh

[Chorus:]

Can't nobody love me like the way you do  
It's a phenomenon  
It's a phenomenon  
Can nobody love me like the way you do  
It's a phenomenon  
It's a phenomenon  
You take me to higher grounds  
Na na na na na na na na na na  
You take me to higher grounds  
Na na na na na na na na na na

You're the one I want  
You're the one I need  
You're my everything  
You're my everything  
You're the one for me  
You're the one for me  
You're my everything  
You're my everything

This feeling's crazy  
I can't explain it  
It's so amazing  
Feels like I'm dreaming  
This love ain't basic  
It's like a spaceship  
Out somewhere far  
I wanna visit  
Like the Taj Mahal  
Or the Great Wall  
You're a phenomenon  
You're a phenomenon  
Like the pyramid  
Or Colloseum  
You're a phenomenon  
You're a phenomenon.
