I said man, man, man, beware
I said man, man, man, beware
I said a you don't know what hangin over you
I said a you don't know what hangin over you
You see a man, you don't see his heart
You see a man, you don't see his heart
So man, man, man, beware
So man, man, man, beware

I said man, man, man, beware
I said man, man, man, beware
You don't know what hangin over you
I said a you don't know what hangin over you
You see a man, you don't see his heart
You see a man, you don't see his heart
So man, man, man, beware, yeah
So man, man, man, beware

It takes a friend to broke a friend
It takes a friend to broke a friend
So man, man, man, beware, yeah
So man, man, man, beware
I'm a telling you, man, man, man, beware, yeah
I said man, man, man, beware
