Here I stand, all alone  
Trying to fight the pain from a broken heart  
Why she left me? I don't know  
It really doesn't matter anymore  
I thought our love could last forever  
But here I stand lost and all alone

Start a new day, but not alone  
I'm gonna break away this broken heart  
I'll meet a woman. I'm gonna take her home  
Where I'll pick up all the pieces and start all over again  
I know that life will be much better  
I know the sun will shine again.

Chorus:  
There is life even after a brokeheart  
You can fight  
The pain from a broken heart, broken heart

(Guitar solo)

I know that life will be much better  
I know the sun will shine again.

Chorus x2  
There is life even after a brokeheart  
You can fight  
The pain from a broken heart, broken heart
