Don't wake up 'til two
And it's Sunday
Don't know what to do
Until Monday

Today will never be gray
Until that I have seen it dark
I'll stay
So long, I'm on my way

I don't have the time
For love and [unverified]
Time is a friend of mine
She's an ocean

And I walk
And my head is a bird in the clouds
There's a sea of happiness
And it's following me

Don't wake up 'til two
And it's Sunday
Don't know what to do
Until Monday

And I walk
And my head is a bird in the clouds
There's a sea of happiness
And it's following me
