Your arms, my legs  
They're one and they've got to be together  
Two hearts, ace of spades  
Made out 'cause it made them feel better

Don't start, don't ask  
Leave me alone 'cause you didn't even notice  
The mood I'm in  
Leave me alone 'cause I'm watching television

Hey, I didn't want it  
It's happening, I just want you to know

I can't believe it's happening  
I won't conceive what's happening  
I won't believe what's happening

This is so real  
I know 'cause it's blowing me away now  
Far from making sense  
To young, to young, now give up

Hey, I didn't want it  
It's happening, I just want you to know

I can't believe it's happening  
I won't conceive what's happening  
I won't believe what's happening

Hey, I didn't want it  
Nobody ever let me know  
Shh, I've got to have it

I can't believe it's happening  
I won't conceive what's happening  
I won't believe what's happening
