Here we are
Inside our own little world
Our place in time, we won't be disturbed
Won't let it go to the bed

Our place
No one's here, let me set the pace
Our place in time, so don't be afraid
It's movin' on to the bed

I'm taking 'em down
I'm taking 'em down
I'm taking you down
Please don't back out

This time it's my way
It's gonna be my way
Tonight it's gonna be my way
Oh yeah

Come with me
Let them see what they wanna see
I'll see what's right in front of me
I feel like I'm being misled

This time it's my way
It's gonna be my way
Tonight it's gonna be my way
Oh yeah
