All or nothing
I see what you're saying
You're telling me nothing
I don't know

Why don't you leave me
The way that I left you?

You're taking your time
While it's moving so fast
That's gotta be something
You should know

Why don't need me
The way that I please you?

If and when it should happen again
If it does, I gotta be on top
Now and then it should happen again
If it does, I gotta be on top

All or nothing
I see what you're saying
You're telling me nothing
I don't know

You're taking your time
While it's moving so fast
That's gotta be something
You should know

I gotta be on top
