There comes a time when baby you an' me
We gotta work it out whatever it will be
It feels so right but somewhere deep inside
You don't know how you feel, you don't know if it's real

Do you want it? Do you need it?
'Cause love don't come easy
Do you want it? Do you need it?
'Cause love don't come easy

There comes a time when you wake up one day
Not knowing if our love will take us all the way
Then suddenly oh you feel you must decide
If we should carry on with what we've just begun

You know that it ain't always easy
You know that it ain't always right
When love finds a place in your heart

Do you want it? Do you need it?
'Cause love don't come easy
Do you want it? Do you need it?
'Cause love don't come easy

You can walk out through this open door
Just like so many times before
And if you don't find what you're looking for
You may be lost forevermore, oh yea

You know that it ain't always easy
You know that it ain't always right
When love finds a place in your heart

There comes a time when baby you should know
If we're gonna make it you gotta let it show
I can't wait and find out in the end
That you will not be standing right here by my side

Do you want it? Do you need it?
'Cause love don't come easy
Do you want it? Do you need it?
'Cause love don't come easy

Do you want it? Do you need it?
'Cause love don't come easy
Do you want it? Do you need it?
'Cause love don't come easy

Tell me baby do you want it? Do you need it?
'Cause love don't come easy
Do you want it? Do you need it?
No, love don't come easy
