"The Road to Valhalla"

Visit "[The Road to Valhalla](#)" on MotoLyrics.com

There is a road that leads to Valhalla
Where only the chosen are allowed
There is a boy with the dream of Valhalla
A place in the land of the Gods

'Cause in their home where the fire burns forever
The life goes on for those who fell in battle
The Gods will await him the moment he die in the fight
And he'll rise when the night comes down

He raised high his sword as he cried out Valhalla
His dream has become reality
Tonight he will ride on the road to Valhalla
Chosen to feast with the Gods

'Cause in their home where the fire burns forever
The life goes on for those who fell in battle
The Gods will await him the moment he die in the fight
And he'll rise when the night comes down

Valhalla, oh, I hail you
[Incomprehensible]
Valhalla, oh, I hail you
The dream has 'come reality

Valhalla, oh, I hail you
[Incomprehensible]
Valhalla, oh, I hail you
The dream has 'come reality
