Little child  
Dry your crying eyes  
How can I explain  
The fear you feel inside?

'Cause you were born  
Into this evil world  
Where man is killing man  
And no one knows just why  
What have we become?  
Just look what we have done  
All that we destroyed  
You must build again

When the children cry  
Let them know we tried  
'Cause when the children sing  
Then the new world begins

Little child  
You must show the way  
To a better day  
For all the young

'Cause you were born  
For all the world to see  
That we all can live  
With love and peace  
No more presidents  
And all the wars will end  
One united world  
Under God

When the children cry  
Let them know we tried  
'Cause when the children sing  
Then the new world begins

What have we become?  
Just look what we have done  
All that we destroyed  
You must build again

No more presidents  
And all the wars will end  
One united world  
Under God

When the children cry  
Let them know we tried  
When the children fight  
Let them know it ain't right  
When the children pray  
Let them know the way  
'Cause when the children sing  
Then the new world begins
