Give me a love that grows and grows
Not just a love that comes and goes
In everything you do, just promise you'll be true
Do what I want you to do: just promise you'll be true

Give me a heart that is pure and true
Let me be safe when I say I love you
In everything you do, just promise you'll be true
Do what I want you to do: just promise you'll be true

I love you, I love you so
Darling, I need you, please don't go

Give me a heart that is pure and true
Let me be safe when I say I love you, oh darling
In everything you do, just promise you'll be true
Do what I want you to do: just promise you'll be true

I love you, I love you so
Darling, I need you, please don't go
I love you, I love you so
Darling, I need you, please don't go...
