Give me some more, some more
Some more of your loving
Give me some more, some more
Some more of your loving

I never knew what love could do
Baby, until I kissed you
I would never let you go
Cause I love, I love you so

Just give me, give me, give me, give me
Because I need it, I need it
Whoa child, you know that
I love you, I love you
I can't live without you baby

No, I can't forget this feeling
I can't forget this sensation
It fills my emotion
It fills me, it fills me
It fills my emotion

Give me, give me, give me, give me
Give me all your love
Cause I need you, I need you
Oh baby your love
I love ya, I love ya...
