(Verse 2, Lil Wayne)

Yeah

When I was 16 I bought my first Mercedes-Benz
I must'a fucked a thousand bitches and her girlfriends
White leather, hot new pair of rims
Brand new pistol with a trigger like a hair-pin
Big work, we don't need a scale man
Big paper, say good-morning to the mail-man
What'chu know 'bout puttin bricks in the spare, man?
I can stuff a coupe, like a motherfuckin Caravan
I'm in my zone, my farm is so rare man
If there's a throne, you lookin at the chair-man
How you want it? Show me my opponent
=====Eats some chips, says next line with mouth
full=====

Throw me my opponent
I'm still ballin, a bullet gotta get me
And I never been a pussy, cause my hood'll never let
me
A made nigga, got made niggas with me
I'm a motorcycle boy, so I'm bout to park a Bentley
