He gets up late
He gets upset
And I watch the whole thing happen from the foot of the
bed

Well, I could stay in bed all day
Is that such an awful thing for me to say?
That's a problem and it's anybody's guess

He's not impressed
He's not impressed
I'm so whoa-o-o-o-o-o-o-o
I'm so whoa-o-o-o-o-o-o-o
I'm so whoa-o-o-o-o-o-o-o

When she gets home
The door is open and it's hard to wait outside when she
is gone
That's a problem and it's anybody's guess

He's not impressed
He's not impressed

I'm so whoa-o-o-o-o-o-o-o
I'm so whoa-o-o-o-o-o-o-o
I'm so whoa-o-o-o-o-o-o-o
Oh no

Go out and you sleep
You're hiding in the sheets
But I work hard, so we can have nice things

You're not even dressed
The house is such a mess

He's not impressed
He's not impressed
I'm so whoa-o-o-o-o-o-o-o
I'm so whoa-o-o-o-o-o-o-o
I'm so whoa-o-o-o-o-o-o-o
