aaj kyon ham se parda hai, parda hai ji  
aaj kyon ham se parda hai -3  
aaj kyon ham se parda hai parda hai ji  
aaj kyon ham se parda hai

tera har rang hamane dekha hai  
tera har dhang hamane dekha hai  
paas aakar bhi tujhako dekha hai  
door jaakar bhi tujhako dekha hai  
tujhako har tarah aazamaaya hai  
paake khoya hai khoke paaya hai  
ankhadiyon ka bayaan samajhate hain  
dhadakanon ki zabaan samajhate hain  
choodiyon ki khanak se vaaqif hain  
jhaanjhanon ki jhanak se vaaqif hain  
naaz-o-andaaz jaanate hain ham  
tera har raaz jaanate hain ham - phir ?  
aaj kyon ham se parda hai parda hai ji  
aaj kyon ham se parda hai ...

dil dukhaane se faayada kya hai  
munh chhupaane se faayada kya hai  
ulajhee-ulajhi laten sanvaarake a  
husn ko aur bhi nikhaarake a  
narm gaalon mein bijaliyaan lekar  
shok aankhon mein titaliyaan lekar
