dropped outta school but now hes hanging around out
on the corner now hes spinning out of bounds,
skateboard and cigarette he lights the tone, his cars in
the front yard but hell never make it home.

But were gunna get you there tonight, and were gunna
stay there till its daylight , and that middle class they
do it right, and were gunna stay there till its daylight,

cause my friends are thugs and punks in a rut and we
cant get up im on my knees so please dont do whats
right stay up all night, you kknow hes got no place to
go, so please, so please

Everytime you see him he is doing something dumb,
and if you ask him all the time hes having too much
fun, and every time you talk hes talking on the
telephone talking on the telephone. run from the 5-0
lets stay all night and drive home.
pre chorus, chorus.

i now know who i am, im a boy and ill never be a man.
