Pre-Verse: Slow Pain

Get, get, get
Get it girl
You, my, my
Baby girl
You so fly
Pretty girl
You're always on my mind
Baby girl

[Slow Pain]

(Verse 1)

Five foot six, with a lovely face
Miss brown sugar, I seen on MySpace
Baby got back
Baby got front
Diamonds on her finger, pierce ring on her tongue
Streaks in her hair
Drink in her hand
Sexy Latina make me wanna be a man
Work hard all day
And play at night
Good job in the day
And party all night

Hook: Slow Pain

Just do what you came to do
Lil' mama
Do what you came to do
That's right
Do what you came to do
Lil' mama
Sh-sh-shake it to the left, sh-sh-shake it to the right

(Verse 2)

Real drink, girl
A beautiful thang
Body like a goddess, beautiful queen
Mexican, Columbian, Cuban and Rican
Baby girl's in the club every weekend
