[Slow Pain]

January 11 (January 11)

1973 (1973)

I'm writing this letter (I'm writing this letter)

To my family (To my family)

Doin' life (Doin' life)

Behind bars (Behind bars)

Man

[Chorus: D-Sharp]

Baby girl

Don't cry, don't cry, don't cry

For me

I know I treat you wrong

I know I'm always gone

Baby girl

Don't cry, don't cry, don't cry

For me

Even though I treat you wrong

Your love always stay strong

Yeah

Oh yeah

(Verse 1)

I'm a hustlin' pimp, I got that gangsta love

In and out of jail, my momma think I'm a thug (I'm a thug)

I'm in love with a freak like you

Girl, you

Got my back

No matter what I do (That's right)

Ten hour rides, to see me upstate

Collect calls all day

Straight from the bay

You a G, girl

That you ride or die

You a G, girl

Sweet as cherry pie

You my little baby momma, and I love you for that (I love ya)

Tell my girls that I love 'em, six months, I'll be back

It's the life that I chose
Runnin' the streets
Come on now, baby girl, don't cry for me

[Chorus]

(Verse 2)

Dear mama, it's your son, and I love you so much
And I'm sorry for the pain, I put you through much
I write this letter from my one man cell (Damn)
Mad at the world cause I put you through hell
You did a good job playing two roles
A mother and a father
Runnin' a show
The hood life where the strong survive
And that
Goes to show, cause you still alive
Dear mama, light a candle
Every single night (Dear God)
Prayin' that a G like me see the light (See the light)
I'm sorry, mama
For being a thug
Thank you, mama, unconditional love

[Chorus]

(Verse 3)

Lorena
Lina
Laylani love
My three little angels heaven sent from above
Daddy's pride and joy, the reason that I grind
The reason why money's
Always on mind
But now, I'm doin' time
Twenty-five years
No more Disneyland, just memories and tears
Pictures of us happy
Playin' at the beach
First birthdays at the park and Chuck E. Cheese (Chuck
E. Cheese)
I miss you girls, and I hope you understand
That I
Love you more
Than any man can
Keep your faith in the Lord
And our family (Family)
Baby girl, I'm doin' life, don't cry for me

[Chorus]

[Slow Pain]

I wish we could be together (I wish we could be together)

But don't cry for me (But don't cry for me)

Hook: D-Sharp

Even when I'm now around

Baby, you still hold me down

You've been mistreated, I can't repeat it

And it's killing me now

Repeat Hook

[Chorus]

[Slow Pain]

Sorry for being a thug (Sorry for being a thug)

It's my gangsta love (It's my gangsta love)
