Hook 1: Cousin Mario

Bad girl
You a bad girl
Bad girl
You a bad, girl
Bad girl
You a bad girl
Bad girl
You a bad, girl

[Cousin Mario]

Bad girl
You a bad girl
Bad girl
You a bad

[Slow Pain]

(Verse 1)

I don't skate
I don't roll
I hip and I hop
In my saucy El Camino, bass bangin', bend the block
With a bad girl (Bad girl)
My baby, she a bad girl
She so super fly, sexiest
In the whole world
My bad girl (Bad girl)
She burnin' up the club
Have her climbin' up the walls, stoppin' traffic in the
malls
My bad girl (Bad girl)
She love me, so I love her back
Shotgun in a Cadillac
Token' on a candy sack
My bad girl (Bad girl)
A.K.A. Miss Universe
Hundred grand large
Stuffed in her Louie purse
My bad girl (Bad girl)
Takin' trips in the helicopter
My baby girl

Baby, she a showstopper

Repeat Hook 1

Hook 2: Slow Pain {Cousin Mario in background}

Give me one bad freak so I could spoil her (Spoil her)

{Bad girl, you a bad girl}

One bad freak so I could her (Spoil her) {Bad girl, you a bad, girl}

Give me one bad freak so I could spoil her (Spoil her)

{Bad girl, you a bad girl}

One bad freak so I could her (Spoil her) {Bad girl, you a bad}

(Verse 2)

Star Sister Nine

Baby, you so fine

Corona twistin' lime, 'Rrari stopped on a dame

Bad girl (Bad girl)

Mama, you so mean

V.I.P. on the team, G-string triple beam

Gagnsta lean in a spike

With a rag top

Mama, you so hot, make a player heart stop

Call the cops, bad girl

What you gon' do

When a pimp come for you, girl, I love them tatoos

Silver toe stilettos, superfreak from the ghetto

House me for life

For a Heavy Metal

You a bad girl (Bad girl)

I wanna put some bling on you

Bad girl (Bad girl)

I wanna put a ring on you (Ring on you)

Repeat Hook 1 & 2

[Slow Pain]

Give me one bad freak so I could spoil her

One bad freak so I could her

Give me one bad freak so I could spoil her

One bad freak so I could her

[Verse 3: Big Dave]

Shorty got dark hair but that dark skin

Street scale, that girl's a ten

Sippin' so-called limon

Orange juice, with (???) gin

Bend your back

Ain't nothin' wrong

Hit the floor

Yeah, that's my song
Baby girl
What's goin' on
Pop that ass, like it's the bomb
Freaky thangs
Lacy thongs
Once again
You know it's on
Break your backs off Gwen Stefan'
Tippin' hard
That Parmesan
That spark whip
That dark tint
Pink champagne, that's player pimp
Montage black, (???)
I love the way, this bad girl tip
This poppin', doll, we stompin' on
Dame piece breezed, I'm real benign
Sixteen shots, I'm buzzin', dawg
With this bad ass girl I'm feelin' on
My bad girl (Bad girl)
Take it back, rewind
My bad girl (Bad girl)
Baby, you so fine

Repeat Hook 1

[Slow Pain {Cousin Mario in background}]
Give me one bad freak so I could spoil her (Spoil her)
{Bad girl, you a bad girl}
One bad freak so I could her (Spoil her) {Bad girl, you a
bad, girl}

[Cousin Mario]
Bad girl
You a bad girl
Bad girl
You a bad, girl
