its friday night and im home all night (all night)
and saturday night doesnt look much better
(oooahhoo)
and nobody likes me coz im a loser (hey! you're a
loser)
and everything is going to go my way someday,
someday
everything is gonna go my way someday

CHORUS

who am i kidding nothing ever goes my way....
why would i think that (O why would u think that)
why would i think that (O why would u think that)
OO why would i think that'd every change

Saturday night went by so fast (so fast)
and all my friends are out having a blast (oooowhahoo)
nobody likes me coz im a loser (hey you're a loser)
but everything is gonna go my way someday, someday
everything is gonna go my way someday

CHORUS

anyday things are gonna go my way someday
coz everythings gonna go my way someday, someday

CHORUS
