watchin wondering in your series of lies
wondering if it will be alright
i dont ever want to see you this way
walkin my way
oh no way

watchin wondering in your houglass eyes
wondering if it will be alright
i dont ever want to see you this way
walkin my way
oh no way
yeah
will you take me to the grave with you?

feelin like a damn fool
i know nothins for sure
stealin life from you
i know nothins for sure
youre outta control

watchin wonderin in your ministry
pointing bony plastic fingers at me
i dont ever want to see you this way
will you ever walk my way
oh no way
yeah
will you take me to the grave with you?

feelin like a damn fool
i know nothins for sure
stealin life from you
i know nothins for sure
youre outta control

watchin wondering in your series of lies
wondering if it will be alright
i dont ever want to see you this way
walkin my way
oh no way

yeah

will you take me to the grave with you?

feelin like a damn fool
i know nothings for sure
stealin life from you
i know nothings for sure
youre outta control

yeah no no
dont you know youre outta control?
