Find me here

And speak to me

I want to feel you

I need to hear you

You are the light

That's leading me

To the place

Where I find peace...Again

You are the strength

That keeps me walking

You are the hope

That keeps me trusting

You are the life

To my soul

You are my purpose

You're everything

And how can I stand here with you

And not be moved by you

Would you tell me how could it be

Any better than this

(Ahh Yeahhh)

You calm the storms

And you give me rest

You hold me in your hands

You won't let me fall

You steal my heart

And you take my breath away

Would you take me in

Would you take me deeper, now

And how can I stand here with you

And not be moved by you

Would you tell me how could it be

Any better than this

And how can I stand here with you

And not be moved by you

Would you tell me how could it be

Any better than this

Cause you're all I want

You're all I need

You're everything, everything

You're all I want

You're all I need

You're everything, everything

You're all I want

You're all I need

You're everything, everything

You're all I want

You're all I need

Everything, everything...

Oh And how can I stand here with you

And not be moved by you

Would you tell me how could it be

Any better than this

Oh And how can I stand here with you

And not be moved by you

Would you tell me how could it be

Any better, any better than this

And how can I stand here with you

And not be moved by you

Would you tell me how could it be

Any better than this

Would you tell me how could it be

Any better than this...
