(VOCAL : VonRay)

I don't believe all the things I hear.  
All these things I hold so dear  
Oh I won't take for granted.  
I always thought that you'd be there  
Now its somehow seems unfair  
You're asking me to take it

And do you see the danger that's creeping up beside?  
'Cause you're turning me inside out,  
You're breaking all these promises we made.  
Maybe time will make it right.

A picture taken yesterday  
Slowly starts to fade away  
There's got to be an answer  
There's no use being afraid to see  
What my life was meant to be.  
It take me so much higher.

Do you see the danger that's creeping up behind?  
'Cause you're turning me inside out,  
You're breaking all these promises we made.  
Maybe time will make it right.  
'Cause, you're turning me inside out.  
It's taking all my strength and will to stay.  
Maybe time will make it right.

Do you feel the danger that's creeping up beside?

'Cause you're turning me inside out,  
You're breaking all these promises  
You're breaking all these promises

'Cause you're turning me inside out,  
You're breaking all these promises we made.  
Maybe time will make it right.  
'Cause, you're turning me inside out.  
It's taking all my strength and will to stay.  
Maybe time will make it right.
