Lying in my bed I hear the clock tick,

And think of you

Caught up in circles

Confusion is nothing new

Flashback warm nights

Almost left behind

Suitcases of memories,

Time after

Sometimes you picture me

I'm walking too far ahead

You're calling to me, I can't hear

What you've said

Then you say go slow

Ilve fallen behind

The second hand unwinds

[Chorus]

If you're lost you can look, and you will find me

Time after time

If you fall I will catch you, I'll be waiting

Time after time

Time after time

After your picture fades and darkness has

Turned to gray

Watching through windows, I'm wondering

If you're ok

And you've said, go slow

I've fallen behind

The drum beats out of time

[Chorus]

If you're lost you can look, and you will find me

Time after time

If you fall I will catch you, I'll be waiting

Time after time

...time after time (4x)
