The world was on fire  
No one could save me but you  
It's strange what desire  
will make foolish people do  
I'd never dreamed that  
I'd need somebody like you  
And I'd never dreamed that  
I'd need somebody like you

No, I wanna fall in love  
(This world is only gonna break your heart)  
And I wanna fall in love  
(This world is only gonna break your heart)  
With you  
(This world is only gonna break your heart)

What a wicked game to play  
To make me feel this way  
What a wicked thing to do  
To let me dream of you  
What a wicked thing to say  
You never felt this way  
What a wicked thing to do  
To make me dream of you

And I wanna fall in love  
(This world is only gonna break your heart)  
No, I wanna fall in love  
(This world is only gonna break your heart)  
With you

The world was on fire  
no one could save me but you  
It's strange what desire  
will make foolish people do  
No, and I'd never dreamed that  
I'd love somebody like you  
And I'd never dream that  
I'd lose somebody like you, no

No, and I wanna fall in love

(This world is only gonna break your heart)  
Well, I wanna fall in lust  
(This world is always gonna break your heart)  
With you  
(This world is only gonna break your heart)  
No, I...  
(This world is only gonna break your heart x2)

Nobody loves no one
