"Ain't Gonna Cry No More"

Rising with the morning
sun
I turn to greet the dawn,
Knowing I must face
another day.
Sleepless night behind
me,
Just a memory of pain,
My heart has always
been a cross to bear.
Lord I know the sun
shine,
But, I feel the tears of
rain
Falling down to wash my
sins away.
I'll try, hard to remember
So I won't be fooled
again,
Hey, ain't gonna cry no
more today.
All around me, shadows
fall,
Tho' day has just begun,
I realise I'm on my own
again.
Memories of broken
dreams,
As distant as the sun,
Are drifting like an echo
in the wind.
Lord, I know the
sunshine,
But, I feel the tears of
rain
Falling down to wash my
sins away.
I'll try, hard to remember
So I won't be fooled
again,
Hey, ain't gonna cry no
more today.

Babe, I thought about it,
But, it just ain't done
good,
You hold my heart and
soul within your hand.
All the time, you're in my
mind,
I never thought you
could be so blind,
Maybe someday I will

understand.
Lord, I know the sun
shine,
But I feel the tears of rain
Falling down to wash my
sins away.
I'll try hard to remember
So I won't be fooled
again,
Hey, ain't gonna cry no
more today, no more.
Hey, mama you drive me
crazy,
Knowing you're my
hearts desire,
Why'd you go and hang
me up this way.
You've given me love,
given me love,
Now tell me what you
were thinking of,
Why'd you go and steal
my soul away.
Lord I know the
sunshine,
But, I feel the tears of
rain
Falling down to wash my
sins away.
I'll try hard to remember
So I won't be fooled
again,
Hey, ain't gonna cry no
more today.
I ain't gonna cry no
more.
(Solo)
Lord I know the
sunshine,
But, I feel the tears of

rain
Falling down to wash my
sins away.
I'll try hard to remember
So I won't be fooled
again,
Hey, ain't gonna cry no
more today.
Ain't gonna cry no
more1.
Hey, I ain't gonna cry no
more today...
